Additional Explanations

According to the consolidated financial statements belonging to the accounting period of 01.01.2021-31.12.2021 prepared in accordance with the International Financial Reporting Standards within the framework of the provisions of the Communiqué of the CMB Serial: II, and Number: 14.1 and audited by PwC Bağımsız Denetim ve Serbest Muhasebeci Mali Müşavirlik A.Ş., net profit for the period is TL 8.214.000.000. On the other hand, according to the legal books (under the provisions of Turkish Tax Procedure Law, due to the differences between Turkish Accounting standards and IFRS standards) the net loss of the period is TL 29.227.518.258 and previous years' loss account has a balance of TL 33.716.129.739. The following resolution will be submitted to the approval of the General Assembly:

The loss amount according to the legal books will be transferred to previous years' loss account. As there will not be any distributable profit (according to the legal books), the net profit of TL 8.214.000.000 (according to IFRS) will be transferred to the previous years' profit account. Attached you may find the 2021 Profit Distribution Table.
