Explanations	

In the statement disclosed on November 8, 2021, it was informed that it was decided to invest in Basalia Technology and to sign a memorandum of understanding with 7CBasalia to establish a global company in order to support research and development activities in this field. Within this scope the registration process of 7Cbasalia Global AG company, which was established in Switzerland with a capital of CHF 1,050,000 was completed and the establishment procedures were completed and our company participated at a rate of 10%.

We proclaim that our above disclosure is in conformity with the principles set down in “Material Events Communiqué” of Capital Markets Board, and it fully reflects all information coming to our knowledge on the subject matter thereof, and it is in conformity with our books, records and documents, and all reasonable efforts have been shown by our Company in order to obtain all information fully and accurately about the subject matter thereof, and we’re personally liable for the disclosures.
