Explanations	

In addition to the Company's fleet plan presented in the investor presentation for 2017Q4, the Board of Directors resolved on the dry-lease of three A320neo aircraft to be delivered in 2019 following production by Airbus S.A.S. and for a period of 10 years. The Company expects that the delivery of all three aircraft will be finalized within the first quarter of 2019.

Material Disclosure Announcement has been prepared in Turkish and in English. In case of any discrepancy between the two versions, Turkish disclosure will prevail.

We proclaim that our above disclosure is in conformity with the principles set down in “Material Events Communiqué” of Capital Markets Board, and it fully reflects all information coming to our knowledge on the subject matter thereof, and it is in conformity with our books, records and documents, and all reasonable efforts have been shown by our Company in order to obtain all information fully and accurately about the subject matter thereof, and we’re personally liable for the disclosures.
