Explanations	

"The production will stop at our company's Bursa plant for a total of 18 working days [maximum] - 8 working days [maximum] intermittently during July, and 10 working days during the second and third weeks of August - due to planned annual maintenance/repair works and an inventory planning.

While the on duty staff shall conduct the maintenance and revision works all other employees shall, during these periods, take their annual leaves. Normal production will begin again on 27 August.

For your information and best regards."
