<b>Explanations</b>	

In accordance with the Equity Market Operations Procedures and Principles (UUE) dated 01/03/2016 and numbered 02.UUE.01, the uptick rule which is applied on short selling of shares (except BIST 100 shares) and Investment Fund participation certificates will also be applied on short selling of BIST 100 shares starting from 14/08/2018.

Accordingly, short selling will be executed at a price higher than the last traded price of the security which includes BIST 100 shares and all instruments available for short selling. However, short selling may be executed at the last traded price if the last price of the security is higher than the previous price.
