Additional Explanations

Reference: Public disclosure of Türkiye İş Bankası A.Ş. (İşbank) on 24.08.2017.

Within the framework of the Resolution of the Board of Directors of İşbank dated 24.08.2017 on the issuance of borrowing instruments, the Head Office started operations to issue bills with a nominal value of TL 700 million with a term of 270 days via public offering to determine the maturity, interest rate, principles of distribution and allocations related to this issuance , to complete the sales process and to put all the necessary procedures into effect, including the listing of the issuance on Borsa İstanbul. The amount might be increased to a nominal value of TL 1,05 billion, in the event that the demand for the bill exceeds the public offering amount.

İşbank applied to the Capital Markets Board related to the aforementioned issuance.
