<b>Explanations</b>	

A fire has occurred in our İstanbul Merter Brewery where there is no production since May, 2017. The fire was due to a technical problem during the dismantling of the production equipments and since 12:45 it has been mostly taken under control with the intervention of the fire department. The personnel have been evacuated quickly and there were no casualties.

We proclaim that our above disclosure is in conformity with the principles set down in “Material Events Communiqué” of Capital Markets Board, and it fully reflects all information coming to our knowledge on the subject matter thereof, and it is in conformity with our books, records and documents, and all reasonable efforts have been shown by our Company in order to obtain all information fully and accurately about the subject matter thereof, and we’re personally liable for the disclosures.
