The Ministry of Treasury and Finance has announced that Operation Licenses of precious metals intermediary institutions attached have been revoked as they ceased their activities continuously in the Exchange more than one year between 01/01/2018–13/03/2019. Pursuant to the article 12 of the Regulation on Principles Relating Exchange Activities, authorization to trade should be cancelled by the decision of the Board of Directors when those authorized to trade lose their qualifications sought for in the relevant Exchange regulations.

In this context, with the resolution dated June 24th, 2019 of the Exchange Board of Directors,

- Authorization to trade of listed companies (see attached document) in the Precious Metals Market was cancelled.
- The Exchange membership of listed precious metals intermediary institutions was cancelled except for two commercial banks.
