Explanations	

Within the scope of the Volatility Based Measures System (VBMS) that is being implemented in accordance with Capital Market Board's decision, SAYAS.E shares will be subject to gross settlement from 06/03/2020 (beginning of the session) until 20/03/2020 (end of the session).

Within the scope of the Volatility Based Measures System (VBMS) prohibition of short selling and margin trading on these shares will be extended with gross settlement until 20/03/2020 (end of the session).

Note: Measures taken under VBMS should be evaluated separately from the prohibition of short selling and margin trading and gross settlement that is applied as a consequence of subsegment change and the like. Market maker activity is not performed on shares that were traded with the method of continuous trading with a market maker during the period when single price method is applied due to the measure.

Pursuant to the CMB's decision dated 02/03/2020, short selling is prohibited in the Equity Market of Borsa İstanbul A.Ş. until further notice.
