Explanations	

The application for Sanliurfa Natural Gas Combined Cycle Power Plant to "Temporarily Leave the Transmission System", which was announced on Public Disclosure Platform on 22.01.2020, has been accepted by TEIAS and the electricity generation operations have been suspended at the Plant.

Respectfully announced to the public and our esteemed shareholders.

We proclaim that our above disclosure is in conformity with the principles set down in “Material Events Communiqué” of Capital Markets Board, and it fully reflects all information coming to our knowledge on the subject matter thereof, and it is in conformity with our books, records and documents, and all reasonable efforts have been shown by our Company in order to obtain all information fully and accurately about the subject matter thereof, and we’re personally liable for the disclosures.
