Explanations	

Mr. Senlav Güner, who has served as Domestic Power Plants Operation and Maintenance Director in charge of the power plants in Turkey and TRNC since January 2017, has been appointed as Eurasia Power Plants Operation and Maintenance Director to be in charge of our new CCGT investment in Uzbekistan, in addition to his current role.

Respectfully announced to public and our esteemed stakeholders.

We proclaim that our above disclosure is in conformity with the principles set down in “Material Events Communiqué” of Capital Markets Board, and it fully reflects all information coming to our knowledge on the subject matter thereof, and it is in conformity with our books, records and documents, and all reasonable efforts have been shown by our Company in order to obtain all information fully and accurately about the subject matter thereof, and we’re personally liable for the disclosures.
