Explanations	

Within the scope of the publicly announced PTA Production Facility Investment that is about to take place at the Adana SASA facilities, whose investment amount is approximately USD 935.000.000 and production capacity is 1.500.000 tons/year, a PTA Process Utility Services and Infrastructure Design Studies and Consultancy Services agreement has been signed between our company and Wood Amec Foster Wheeler Iberica S.L.U., and also an Engineering Services agreement has been signed between our company and CTCI Corporation-Taiwan.

Negotiations regarding the Yumurtalık terrain are also continuing.

In the event of any discrepancy between the Turkish and English versions of this disclosure statement, the original Turkish version shall prevail. SASA disclaims all warranties and makes no representations about the accuracy or completeness of the English translation and assumes no liability for any errors, omissions or inaccuracies that may arise from use of this translation.

We proclaim that our above disclosure is in conformity with the principles set down in “Material Events Communiqué” of Capital Markets Board, and it fully reflects all information coming to our knowledge on the subject matter thereof, and it is in conformity with our books, records and documents, and all reasonable efforts have been shown by our Company in order to obtain all information fully and accurately about the subject matter thereof, and we’re personally liable for the disclosures.
