Announcement Content	
Explanations	

The planned repair works in the 2nd Blast Furnace, which were announced in our material event disclosure on November 24, 2020, have been completed and the commissioning of the relevant furnace has started.

In contradiction between the Turkish and English versions of this public disclosure, the Turkish version shall prevail.

We proclaim that our above disclosure is in conformity with the principles set down in “Material Events Communiqué” of Capital Markets Board, and it fully reflects all information coming to our knowledge on the subject matter thereof, and it is in conformity with our books, records and documents, and all reasonable efforts have been shown by our Company in order to obtain all information fully and accurately about the subject matter thereof, and we’re personally liable for the disclosures.
