<b>Explanations</b>	

Our company's EIA (Environmental Impact Assessment) application regarding the "Additional Polymer Chips and Polyester Production Facilities and Auxiliary Facilities ( Wastewater Treatment, Storage and Thermal Power) Capacity Increase Project" to be constructed in Adana Province, Seyhan District, Sarıhamzalı Neighborhood, has been approved by the Ministry of Environment and Urbanization, and "Environmental Impact Assessment Positive" has been decided.

In the event of any discrepancy between the Turkish and English versions of this disclosure statement, the original Turkish version shall prevail. SASA disclaims all warranties and makes no representations about the accuracy or completeness of the English translation and assumes no liability for any errors, omissions or inaccuracies that may arise from use of this translation.

We proclaim that our above disclosure is in conformity with the principles set down in “Material Events Communiqué” of Capital Markets Board, and it fully reflects all information coming to our knowledge on the subject matter thereof, and it is in conformity with our books, records and documents, and all reasonable efforts have been shown by our Company in order to obtain all information fully and accurately about the subject matter thereof, and we’re personally liable for the disclosures.
