8 – COMPANY GUIDANCE

In the first 3 months of 2020, as we always do to our activities; customer focused, innovative approach, quality and high hygiene principles without compromising. As a result of the restructuring efforts, Ülker Bisküvi has taken its companies out its portfolio since 2010 which are out of core business, has gathered all the functions such as production, sales and similar functions under one roof and formed a structure to manage the biscuit-chocolate-cake categories in one hand.

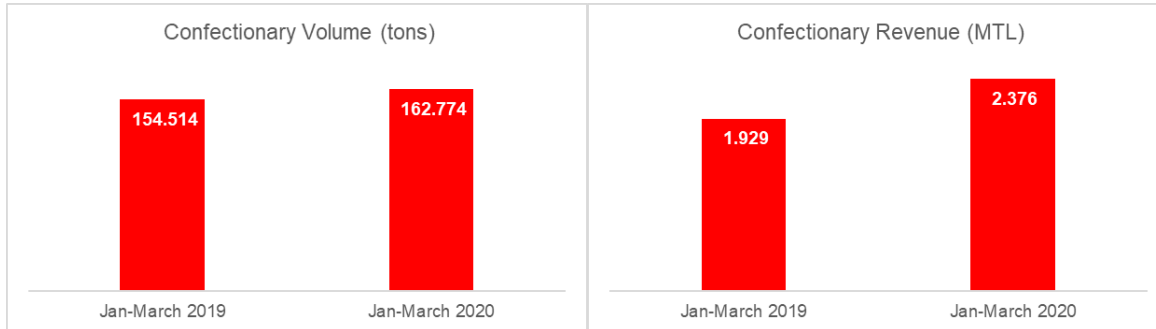

With this new structuring realized;

1. Move the leadership vision and competitiveness of Ülker to the future
2. Power with the focus in the confectionary categories
3. To better evaluate innovation opportunities
4. Provide efficiency in supply chain and channel costs
5. Aims to be able to respond more effectively to consumer needs.

We will continue to work to achieve our strategic goals that we have set within the scope of our strategic plan. In 2020, we continue to work towards our budget and strategic plan goals that we have set up to keep our financial and operational results at the highest level.
