Explanations	

In our public disclosure on 30 October 2021, it was stated that regarding the investigation carried out by the Turkish Competition Authority on chain markets and their suppliers with File No. 2020-3-019, it has been notified that an administrative fine of 384,369,037.15-TL has been imposed to our Company on the grounds that Article 4 of the Law No. 4054 has been violated, along with other companies. It has been announced that following the official notice of the reasoned decision, the payment of the administrative fine will be evaluated by considering the legal discount, and all our legal rights will be used to the fullest for the annulment of the decision.

Provided that our rights of objection and litigation are preserved, our Company paid TL 288,276,777.86 administrative fine on February 14, 2022 by using the 25% early payment discount.

On the other hand, within the legal period, all our legal rights will be used to the fullest for the annulment of the decision. Developments on this disclosure will be announced within the related regulations.

(In case of a discrepancy between the Turkish and the English versions of this disclosure, the Turkish version shall prevail .)

We proclaim that our above disclosure is in conformity with the principles set down in “Material Events Communiqué” of Capital Markets Board, and it fully reflects all information coming to our knowledge on the subject matter thereof, and it is in conformity with our books, records and documents, and all reasonable efforts have been shown by our Company in order to obtain all information fully and accurately about the subject matter thereof, and we’re personally liable for the disclosures.
