There were news in the media that an agreement was reached between Stellantis and our Company for new models. As stated in our public disclosure dated June 6, 2022, assessments on new products to be produced at Tofaş plant have been ongoing. In this context, the news in the media does not reflect the reality, and in case of a final decision requiring public disclosure within the scope of the relevant Communiqué, material developments will be shared with our investors. This disclosure has been made within the framework of Article 9 of the [Material Events Communiqué](#) no II-15.1

We proclaim that our above disclosure is in conformity with the principles set down in “Material Events Communiqué” of Capital Markets Board, and it fully reflects all information coming to our knowledge on the subject matter thereof, and it is in conformity with our books, records and documents, and all reasonable efforts have been shown by our Company in order to obtain all information fully and accurately about the subject matter thereof, and we’re personally liable for the disclosures.
