Explanations	

As it is known, our company continues sales and marketing activities in the wind energy industry and its other areas of activity.

An offer of 566,938 EUR we have submitted to our client GRI Renewables, whom we are an approved supplier of, has been approved. Deliveries subject to the award are expected to be completed within 2022.

Wind turbine towers that will be manufactured using the internals supplied by our company will be delivered to GE.

Disclosure of the insider information concerning the bidding process was postponed by the Board Decision no 2022/45 dated 11/7/2022.

Respectfully announced to the public and our investors.

We proclaim that our above disclosure is in conformity with the principles set down in “Material Events Communiqué” of Capital Markets Board, and it fully reflects all information coming to our knowledge on the subject matter thereof, and it is in conformity with our books, records and documents, and all reasonable efforts have been shown by our Company in order to obtain all information fully and accurately about the subject matter thereof, and we’re personally liable for the disclosures.
