<b>Explanations</b>	

The financial statements of our Company for the year-end 2023 were disclosed on the Public Disclosure Platform on 08.03.2024. In the investor relations materials prepared for publication on various platforms based on these statements, certain financial information that has not been adjusted for inflation accounting is also included. The aforementioned financial information has been prepared under the responsibility of our Board of Directors and Executives responsible for financial reporting to provide our investors with a holistic perspective consistent with the previously provided guidance and has not been independently audited.

It is disclosed for the public information.

We proclaim that our above disclosure is in conformity with the principles set down in “Material Events Communiqué” of Capital Markets Board, and it fully reflects all information coming to our knowledge on the subject matter thereof, and it is in conformity with our books, records and documents, and all reasonable efforts have been shown by our Company in order to obtain all information fully and accurately about the subject matter thereof, and we’re personally liable for the disclosures.
