<b>Explanations</b>	

Within the scope of the Volatility Based Measures System (VBMS) that is being implemented in accordance with Capital Market Board's decision, TACTR.E shares will be traded with the method of single price from 24/12/2018 (beginning of the session) until 07/01/2019 (end of the session).

Within the scope of the Volatility Based Measures System (VBMS), gross settlement on TACTR.E shares will be extended with the single price method until 07/01/2019 (end of the session).

Note: Measures taken under VBMS should be evaluated separately from the prohibition of short selling and margin trading and gross settlement that is applied as a consequence of A, B, C, D group change, submarket change and the like. Market maker activity is not performed on shares that were traded with the method of continuous trading with a market maker during the period when single price method is applied due to the measure.
