Additional Explanations

Our Company evaluates the use of various long term debt instruments in international markets in accordance with our active and efficient balance sheet management principles. An application has been made to Capital Markets Board on February 28, 2019 for the approval of issuance certificate to issue debt instruments with an amount up to US+ 750 million or its equivalent in another currency, through private placement and/or sales to qualified investors abroad, without public offering pursuant to the authority granted to our Board of Directors by article 25 of our Articles of Association and in accordance with Capital Markets Board's legislation. The debt instrument will be issued in one or more tranches and in various types and terms with fixed and/or floating interest rates to be determined as per the market conditions at the date of the issuance. The announcement with respect to issuance decision has been previously deferred.

We proclaim that our above disclosure is in conformity with the principles set down in "Material Events Communiqué" of Capital Markets Board, and it fully reflects all information coming to our knowledge on the subject matter thereof, and it is in conformity with our books, records and documents, and all reasonable efforts have been shown by our Company in order to obtain all information fully and accurately about the subject matter thereof, and we're personally liable for the disclosures.
