Explanations	

The Corona virus (Covid-19), which first appeared in Wuhan, China on December 1, 2019, and was declared pandemic by the World Health Organization on March 11, 2020, that affects the entire world and causes loss of life, continues to spread throughout the World and has brought life almost to a standstill in many countries. Despite all the precautions taken, our Community, which has begun to show its effects in almost every geography we operate in, especially in our country, has taken many precautions to protect the health of all our stakeholders, including especially our employees, our customers and suppliers. Despite all the difficulties encountered in this process, as a result of the important contributions of especially our employees, our customers and suppliers, there has not been any disruption that will significantly affect our operations. In order to continue our operations without interruption, all necessary measures will continue to be taken in line with all relevant country legislation.

We proclaim that our above disclosure is in conformity with the principles set down in “Material Events Communiqué” of Capital Markets Board, and it fully reflects all information coming to our knowledge on the subject matter thereof, and it is in conformity with our books, records and documents, and all reasonable efforts have been shown by our Company in order to obtain all information fully and accurately about the subject matter thereof, and we’re personally liable for the disclosures.
