Explanations	

Following its periodic annual review of the corporate credit rating, JCR Eurasia Rating evaluated the consolidated structure of MLP Sağlık Hizmetleri ("Company") and the bond issuances in an investment level category on a national and international level. JCR affirmed the ratings on the Long Term and Short Term National Scales as "BBB+(Trk)" and "A-2(Trk)", respectively, and assigned a "Positive" outlook on the Long Term National Rating. Additionally, the Long Term International Foreign and Local Currency Ratings have been affirmed as "B".

In the rating report, Company's unique business model through brands and concepts appealing to different income segments and leading market share, stable revenue and EBITDA growth trend, the maintenance of a low level of financial leverage, the know-how in the field of expanding and managing greenfield and acquired hospitals, the consolidation opportunities in the private hospital sector created by the current economic conjecture, the development potential of the Turkish healthcare sector in the process of convergence with OECD averages in the medium and long-term along with the expectations relating to rising level of investments in the healthcare sector on a global scale in the aftermath of the Covid-19 pandemic were stated as the principle reasons underlying the affirmation and determination of the ratings.
