#### **Additional Explanations**

Reference: Public disclosure of Türkiye İş Bankası A.Ş. (İşbank) on 17.09.2019. Within the framework of the Resolution of the Board of Directors of İşbank dated 17.09.2019 on the issuance of borrowing instruments, the Head Office started operations to issue bills with a nominal value of TL 750 million with a term of 277 days via public offering to determine the maturity, interest rate, principles of distribution and allocations related to this issuance, to complete the sales process and to put all the necessary procedures into effect, including the listing of the issuance on Borsa Istanbul. At the same time, bills with a nominal value of TL 750 million with a term of 130 days will be issued. The amount might be increased to a nominal value of TL 2,25 billion, in the event that the demand for the public offering of bills exceeds the total public offering amount. İşbank applied to the Capital Markets Board related to the aforementioned issuance.
