In order to determine whether the distributors and car rental companies operating in the first-hand (new) and second-hand vehicle sales markets have violated Article 4 of the Law No. 4054 on the Protection of Competition, investigation works were initiated against various companies in the sector including Tofaş Otomobil Fabrikası A.Ş., within the scope of the decision taken to open an investigation.

As it is known, the opening of an investigation by the Competition Authority cannot be interpreted as that the companies subject to the investigation violated the Law No. 4054, faced or will face penalty sanctions under the Law.

Developments on the subject will be shared with the public when available within the framework of the Capital Market Legislation.
