SIGNING A LICENSE AGREEMENT WITH INVISTA

The negotiations for the PTA Production Facility Investment, which we previously announced to the public and which we will realize in Adana SASA facilities with an investment amount of approximately USD 935.000.000 and a production capacity of 1.500.000 tons/year, have been completed. In this context, a license and technical service agreement has been signed between our company and American Invista (Koch Industries).

Negotiations regarding the Yumurtalık terrain are also continuing.
