Several national and international media organizations report that Turkish Airlines will invest in an international airline company.

As one of the most valuable companies of the global aviation industry, Turkish Airlines always considers strategic investments that are in line with its future goals. However, today's reports in media have no basis in fact.

Thus, we would like to inform the public that today's reports are false as our company have made no attempt at investing in an international airline at this juncture.

We proclaim that our above disclosure is in conformity with the principles set down in “Material Events Communiqué” of Capital Markets Board, and it fully reflects all information coming to our knowledge on the subject matter thereof, and it is in conformity with our books, records and documents, and all reasonable efforts have been shown by our Company in order to obtain all information fully and accurately about the subject matter thereof, and we’re personally liable for the disclosures.
