Explanations	

Our company has entered into an agreement with Refinitiv Enformasyon Limited - a subsidiary of the London Stock Exchange Group (LSEG) - for a comprehensive ESG scoring to complement ongoing sustainability projects. Primary aim of this engagement is to get listed on Refinitiv Eikon's global sustainability index and to Istanbul Stock Exchange's (Borsa Istanbul) Sustainability Index to reflect our company's key environmental, social and governance pillars which are being studied since 2019. Pre-analysis stage of the ESG pillars has been completed and data entry stage has been initiated.
