Usufruct right to the name of Privatization Administration has been established in order to be valid until a contrary decision is taken by High Board of Privatization on A Group shares together with all rights.

New shares cannot be issued unless already issued shares are sold completely and their value is paid.

Shares representing the capital are followed by records pursuant to recording principles.

Increase or decrease of Capital

Article 7- Capital of the company may be increased or decreased pursuant to provisions of Turkish Trade Law and Capital Market legislation when it becomes necessary provided that the rights entitled to A Group by 21st article of the Articles of Association are reserved.

Issuance of debt instrument

Article 8- Company may issue any kind of indebteding instrument and capital market instruments issued of which are permitted pursuant to Capital Market legislation by decision board of directors in compliance with of Turkish Commerce Code and Capital Market legislation.

Board of directors is authorized without any time limit in accordance with relevant provisions of Capital Market Law in issuing of these marketable securities.

SECTION III:

Board of Directors

Article 9- Works and management of the company are conducted by the board of directors.

Board of directors consists of minimum 5 and maximum 9 members to be elected by general assembly pursuant to provisions of Turkish Trade Law and Capital Market Legislation.

One of the members of board of directors is elected by general assembly among the candidates to be nominated by Privatization Administration having usufruct right as representative of A group shares.

The number and the qualifications of the independent members that shall take office in the Board of Directors are determined according to the regulations of Capital Market Board regarding corporate management. General Assembly of Shareholders determines the number of members to be selected for Board of Directors in such a manner to ensure the members to perform effective and creative activities, to take quick and rational decisions and efficiently organize their activities as well as formation of committees.

Term of Board of Directors

Article 10- Members of Board of Directors are appointed for three years and the independent members are appointed for one year; the members with expired tenure may be re-elected. Members of board of directors whose duty period expired may be re-elected. If seat of any member of board of directors becomes vacant due to any reason, board of directors elects a member meeting the legal stipulations in Turkish Trade Law, Capital Market Legislation and in the current Articles of Association temporarily and submits for approval in the first general board. Thus the member elected in this way shall complete duty period of the previous member.

General assembly may change members of board of directors anytime if it is seen necessary.

In case duty of a member of board of directors representing A Group shares expires in any manner within the period that he is elected; it is condition to elect the member to be elected instead of him among the candidates to be nominated by Privatization Administration having usufruct right as representative of A group shares.

Meetings

Article 11- Board of Directors gathers at the corporate headquarters or at another location upon the resolution of Board of Directors at least six times a year or whenever deemed necessary for the Company's business. Board of Directors elects a chairman and one vice chairman at least to act as proxy in his absence among the members during the first meeting of each year. The procedure to be followed to assemble the Board of Directors, the quorum for the meeting and the resolution, voting, as well as duties, rights and authorities of Board of Directors are subject to provisions of Turkish Commercial Code and related legislation. Resolutions of Board of Directors are entered into the official minutes book. It is also signed by the chairman and the members. Without prejudice to the rights conferred upon the Group A by the article 21 of the present Articles of Association; Board of Directors may grant all or some part of the authority of representation and administration to one or several executive

directors who are also the members of Board of Directors other than independent board members. The provisions of Article 367th of TCC are reserved in this subject.

Board of directors must discuss detailed report showing progress of investment projects and issued by general directorate every three months and to make decision for the proposals made by member of board of directors having usufruct right as representative of A group shares on this matter. Progress of investments projects is reflected to annual report of board of directors in details.

Affirmative vote of Privatization Administration having usufruct right as representative of A group shares is sought in the decisions to be made in board of directors of the company on rights and obligations regarding the A Group shares in the company.

It shall be observed the Corporate Management Principles, the implementation of which is made obligatory by Capital Markets Board. The transactions made and the resolutions passed without observing the obligatory principles are held invalid and deemed contrary to the articles of association.

With regard to the implementation of the Corporate Management Principles, the regulations of Capital Market Board on corporate management are observed in the transactions deemed to have an important nature and any related party transactions of the company, which are of important nature as well as the transactions for giving security and establishing pledge and mortgage in favor of third persons.

In case none of the members asked meeting; decisions of board of directors may be made by getting approval of at least majority of total member number for proposal of any of the members of board of directors which is written in form of decision for a definite matter. Making the same proposal to all members of board of directors is the condition for validity of the decision to be made in this way. Existence of the approvals on the same paper is not conditional, however, affixing of all the papers containing approval signatures on to decision book of board directors or writing to decision book by converting into a decision containing signatures of those accepting is necessary for validity of the decision.

Validity of decisions is bound whether it is written and signed.

Members of board of directors cannot vote as representing each other and they cannot attend the meetings through proxy. In case votes are equal; that matter is left to the next meeting.

If it becomes equal in the second meeting; then it shall be deemed that this motion is refused.

Powers of Board of Directors

Article 12- Management and representation of the company belongs to board of directors.

For validity of all the documents to be given and contracts to be made by the company, they have to bear signatures of at least two persons who are authorized to bind the company and which are put under trade title of the company provided that management and representation powers determined by decision of board of directors on appointment of managing member or members in accordance with last sub-clause of 1st clause of 11th article of the Articles of Association are excluded.

Duty and power period of general director, vice general directors, directors and other company personnel having signing power are not limited to duty period of members of board of directors.

The persons to be authorized to sign on behalf of the company and their signing way on behalf of the company are determined, registered and announced by board of directors.

Board of Directors is authorized to assign its representation power to one or more members of board of directors or any third person in accordance with an internal directive to be issued in accordance with 367th article of the Turkish Trade Law provided that non-assignable duty and powers defined in 375th article of Turkish Trade Law are excluded. Furthermore board of directors may assign its representation power to one or more managing directors or to a third person as a director. It is conditional that at least one member of board of directors has representing power.

Acquiring, taking pledge, giving pledge etc. transactions related to own shares of the company are executed by board of directors. Turkish Trade Law and provisions of relevant legislation are complied with for this matter.

Duties of Board of Directors

Article 13- Board of directors fulfills the duties given by Turkish Trade Law, Capital Market Law and other relevant legislation and by the general assembly.

Duties of the board of directors are mainly as follows; to fulfill decisions of general assembly; to invite the general assembly for meeting pursuant to provisions of the Articles of Association; to fulfill any kind of disposals considered necessary and useful on behalf of the company; to buy and to acquire real property and other in-kind rights existing on behalf of the company; to restrict real property of the company with an in-kind right or to perform sales transactions; to hire out and to rent any kind of securities and real property to be considered necessary for the company; to lend to and for account of the company; to establish mortgage on real property of the company when necessary; to accept mortgages from real persons or legal entities in favor of the company and to submit their statement; to release these mortgages and any kind of restriction and encumbrance; to submit necessary release statements.

In case shareholders having management domination, members of board of directors, top managers and their spouses and blood relatives and relatives by marriage make transaction having important nature that may cause conflict of interests with the company and its subsidiaries and/or make any transaction in commercial business type falling in the field of activity of the company or its subsidiaries to his own account or for other's account or enters to a another company dealing with same type of commercial works with title of unlimited liable partner; general assembly shall be informed about the subject transactions.

Board of directors is authorized to make decision about all the transactions remained out of the matters left exclusively to decision of general assembly in the laws and Articles of Association.
