DURATION OF THE COMPANY

ARTICLE 5

The Company is incorporated for an unlimited duration and shall be dissolved as a result of the occurrence of one of the conditions stipulated by the Law or by a resolution for dissolution by the Board of Directors.

CAPITAL OF THE COMPANY:

ARTICLE 6

The Company has approved and adopted the registered capital system according to the provisions of the Law No.2499 on Capital Markets and the authorization No. 38/1152 of the Capital Markets Board dated December 29, 2010.

The registered capital ceiling of the Company is TL 200,000,000 (two hundred million Turkish Lira) and divided into 200,000,000 (two hundred million) shares worth nominal value of TL1 (one) each.

The registered capital ceiling authorized by the Capital Markets Board shall be valid between the years 2022 and 2026 (five years.) Even if the authorized registered capital ceiling has not been reached by the end of 2026, the Board of Directors must obtain authorization from the General Assembly and the CMB for a period not more than 5 years for either the previously-authorized ceiling or for a new one in order to pass a resolution to increase the capital after 2026. In the event of failure to obtain such an authorization, capital may not be increased by resolution of the Board of Directors.

The issued capital of the Company is 60,000,000 Turkish lira, which is fully paid in cash, free from collision.

Shares representing the capital shall be monitored within the framework of the principles of dematerialization.

The capital of the Company may be increased or decreased, when necessary, in accordance with the provisions of the Turkish Commercial Code and the Regulations on Capital Market.

The Board of Directors shall be authorized to pass resolutions to increase the issued capital by issuing new shares up to the ceiling of the registered capital, to restrict the rights of the shareholders to acquire new shares and to issue premium shares or shares under nominal value in accordance with the provisions of the Capital Market Law. The authorization to apply restrictions on acquiring new shares may not be used in a way that may cause inequality between the shareholders.

Unless there is a resolution of the General Assembly or the Board of Directors, with regards to capital increases, the shareholders shall have preemptive rights in the amount of the shares they hold. After using the preemptive rights, the remainder of the shares may be sold to other shareholders, or to natural and legal persons who will be acquiring new shares. Transactions shall be completed pursuant to the Capital Markets Law in the case of offering the remainder shares to the public after using preemptive rights.
