

İş Yatırım Menkul Değerler A.Ş. Investment Firm Warrants to be issued by the Company will start to be traded on the BIST Structured Products and Fund Market on 10.11.2023. The initial sales prices of the Warrants are presented in the table below. The first selling price is only the price to be applied at the first opening of the session, and the warrant selling price may vary from the start of the trading of warrants on the exchange. It should not be concluded that the warrants will be issued at the first sale price during the session. The issue prices of warrants will be corrected continuously and may not be traded at the opening price. Detailed explanation on the determination of the sales price is given in the 5.3 numbered section of the relevant Capital Market Instrument Note.
